

Tender for Franklin Street/Central Street Flood Risk Management

Tender No. T2021-5

Sealed tenders will be received by the undersigned department for the above no later than 2:00 PM (local time):

Wednesday, March 3, 2021

The Work of this tender is to provide all machinery, tools, apparatus, materials and other means of construction to construct an earth berm and toe wall on the west side of the Franklin Street right-of-way (City of Pickering road), drainage swale within the 1764 Central Street right-of-way (Region of Durham road), all in accordance with the plans, specifications, and drawings prepared by the City.

The Bidder must **include with the tendering submission** a **bid deposit** of five thousand (\$5,000.00) dollars **or a bid bond** in the amount of **ten percent (10%)** of the total tendered amount available for sixty (60) days from date of tender closing and an original Agreement to Bond form.

After tender closing for evaluation a Bidder will be required to provide a copy of the City's Health & Safety form; current Certificate of Clearance issued by WSIB and Certificate of Insurance. This is not a conclusive listing of requirements. It is solely the Bidder's responsibility to review the tendering document for full requirements.

Tendering documents are available to download at no charge from the City's website www.pickering.ca/supply current bid opportunities.

Bidders are solely responsible for downloading all documentation including addenda. All addenda must be acknowledged on Form of Tender and as instructed, incorporated or inserted into the bid document. A bid which does not acknowledge all addenda will be rejected.

Lowest or any tender not necessarily accepted.
