

Tender for CHDRC Delaney Condenser Tower & Structure Replacement

Tender No. T2021-6

Sealed tenders will be received by the undersigned department for the above no later than 2:00 PM (local time):

Wednesday, March 24, 2021

The Work of this tender is to provide all machinery, tools, apparatus, materials and other means of construction for the replacement of the existing ammonia evaporative condenser serving the Delaney Arena at the Chestnut Hill Developments Recreation Complex Arena. Included in the project is all associated mechanical, electrical and miscellaneous work as required for a complete condenser replacement in all respects, in accordance with the attached drawings and the terms, conditions and specifications contained herein to the satisfaction of the City.

An optional site visit has been arranged for **Tuesday March 10, 2021 at 10:00 a.m.** at the Chestnut Hill Developments Recreation Complex, located at 1867 Valley Farm Road in the City of Pickering. Bidders will be required to sign-in on an attendance sheet.

Tendering documents are available to download at no charge from the City's website www.pickering.ca/supply current bid opportunities.

Bidders are solely responsible for downloading all documentation including addenda. All addenda must be acknowledged on Form of Tender and as instructed, incorporated or inserted into the bid document. A bid which does not acknowledge all addenda will be rejected.

Lowest or any tender not necessarily accepted.
