

**Tender for Streetlight Maintenance
and Electrical Locates**

Tender No. T2021-27

Sealed tenders will be received by the undersigned department for the above no later than 2:00 PM (local time):

December 15, 2021

This contract is for the supply of all materials, labour, machinery, tools and appliances for the general maintenance, installation, repair and replacement of the City's electrical streetlight system, field determination and processing of the associated underground system location data (electrical locates) within the City in accordance with plans and specifications prepared by the City

Tendering documents are available to download at no charge from the City's website www.pickering.ca/supply current bid opportunities.

Bidders are solely responsible for downloading all documentation including addenda. All addenda must be acknowledged on Form of Tender and as instructed, incorporated or inserted into the bid document. A bid which does not acknowledge all addenda will be rejected.

Lowest or any tender not necessarily accepted.
